### Activity of the Day Instructions

**Monday-** Using a Large Yellow poster board; draw a large yellow school bus with windows. Cut out the School bus; invite the children to add black wheels to the bus. Provide the children with magazines, scissors and glue. Encourage the children to cut pictures of children from the magazine to glue to the windows of the bus.

**Tuesday-**Using a yellow highlighter, write the following words on a white piece of paper: S is for School. Encourage the children to trace the letters.

**Wednesday-**Provide the children with back to school ads, white paper, glue and scissors. Encourage the children to cut out school supplies and glue to the paper.

**Thursday-** You will need large brown paper bags. Cut two strips of brown paper (per child) to staple to the back of each brown paper bag. Once the back packs are assembled, give the children crayons to decorate their back packs.

**Friday –** Ahead of time, cut out a variety of shapes for the children to glue to a piece of construction paper.

### Planning for Learning Centers

**Math/Manipulative:** Using 3 x 5 Cards, write each child's name on each card. On a second card add their photo. Invite the children to match the names with their friend's photos.

## Child Care Business Owner Curriculum Club

**Science:** Add paper, pencils and erasers. Encourage the children to write and erase the pencil markings.

**Art:** Add back to school ads, glue and scissors to this center.

**Reading:** Add back to school books.

**Blocks:** Provide the children with toy school-buses.

**Sensory:** Hide the school supplies in the sand and encourage the children to find the supplies.

**Music/Movement:** Provide the children with paper plates and encourage the toddlers to pretend the drive the bus while singing the wheels on the bus.

**Dramatic Play:** Encourage the children to play school.

**Outdoor Game/Activities:** Practice catching the ball

**Story ideas:** If you take a mouse to School by Laura Numeroff
